Certificate of Religious Exemption

Student's Name:	Date of Birth:
Street Address:	

The administration of immunizing agents conflicts with the religious beliefs of the parent or legal guardian of the student listed above. I understand that in the event of an outbreak of vaccine-preventable disease in my child's school or childcare facility, the State Health Director may exclude my child from the school or childcare facility, for their own protection. This exclusion will last until an incubation period from the last identified case of the communicable disease has passed
