STUDENT EXPECTATIONS

Academic Assistance is a place where you can get help with work that you need to complete for your classes. There are teachers here on Tuesdays, Wednesdays, and Thursdays to help you to be successful. However, you need to do your part as well.

Following these expectations will allow you to continue to access this after-school opportunity and be successful in your classes. Repeatedly not following these expectations will result in the loss of the privilege to attend Academic Assistance.

Expectation	What it looks like
Arrive on time	In your designated room by 2:30
Prepared with materials	You have all necessary papers and books needed to complete your assignments, including your computer.
Specific assignments to work on	Having something to work on and a specific purpose for being there, is required each day that you attend.
Appropriate behavior	Respectful, Responsible, and kind to those in the room - both students and teachers
