## JICDD Student Discipline Out-of-School Actions

Adopted: June 19, 2023

Related Policies: JIC, JICK

Category: Recommended

The School Board recognizes that out-of-school and off-campus student conduct is not normally the concern of the board. However, the board also recognizes that some out-of-school and off-campus conduct may have an adverse effect upon the school, school property or school staff.

Therefore, it shall be the policy of this board that the board or school administrators may impose disciplinary measures against students for some out-of-school or off-campus conduct.

Discipline may be imposed if such out-of-school conduct causes a significant disruption or substantial interference with the school's educational mission, purpose or objectives. Additionally, any off-campus or out-of-school behavior that has a strong potential to disrupt normal school operations may also be met with appropriate disciplinary actions.

### Cyber-Bullying and Internet Threats

Reports and/or allegations of cyberbullying will be addressed in accordance with the provisions of School Board policy JICK.
